You are offering the International Baccalaureate (IB) Diploma, awarded by the International Baccalaureate Organization (IBO).

In addition to fulfilling the above admission criterion, applicants have to meet the following minimum subject requirements of the degree programmes listed next page.
Students who are undecided on their Engineering major may opt for Engineering (i.e. Common Engineering) at the point of application. All Common Engineering programmes offer many courses which may require further subject prerequisites. Please refer to the National Institute of Education (NIE) website for details.

**Mathematics at Standard Level** On a selective basis, candidates who do not meet the minimum mathematics requirement may still be considered for admission with the approval of the programme faculty.

In addition to fulfilling the above admission criterion, applicants have to meet the following minimum subject requirements of the degree programmes listed next page.

**Biomedical Admissions Test (BMAT)**
Applicants will have to sit for the Biomedical Admissions Test (BMAT) and take the BMAT, as part of the criteria for entry to the Lee Kong Chian School of Medicine (LKCMedicine) programme. Applicants who have taken the BMAT round October-November must take the BMAT again in the following year. All applicants who have not taken the BMAT before the BMAT test day must sit for the BMAT at the University of Oxford. For more details on the BMAT, please refer to www.bmat.org.uk.

For further details, please visit www.lkcmedicine.ntu.edu.sg/Admissions/Pages/default.aspx.
