Nanyang Technological University (NTU) is acknowledged as one of the world’s best science and technology universities. It is ranked among the world's top universities in Engineering and IT. Committed to becoming a leading research-intensive institution, NTU develops multidisciplinary and multicultural scholars who conduct groundbreaking research that results in creative innovations for society.

About NTU

- Singapore’s leading science and technology research-intensive university with a reputation for innovation
- World’s top 1% university
- Three autonomous institutes and four colleges with 12 schools – one of the biggest engineering colleges in the world, a highly rated business school that is ranked among top 30 worldwide and Singapore’s only School of Communication and Information (media and journalism)
- Strong tradition of interdisciplinary research
- First-class research infrastructure
- Nobel boost – Ten Nobel laureates and a Fields Medalist on NTU Institute of Advanced Studies’ panel of International Advisers
- Awarded very substantial competitive research grants led by world renowned faculty
- Research partner of choice with world renowned universities

International Collaborations and Partners

- California Institute of Technology, USA
- Carnegie Mellon University, USA
- Cornell University’s School of Hotel Administration, USA
- Domus Academy, Italy
- ESSEC Business School, France
- Georgia Institute of Technology, USA
- Imperial College London, UK
- Indian Institute of Technology Bombay, India
- Insightra Medical of Irvine California, USA
- Karolinska Institutet, Sweden
- Korea Advanced Institute of Science and Technology (KAIST), Korea
- Massachusetts Institute of Technology, USA
- Norwegian School of Management, Norway
- Rice University, USA
- Shanghai Jiaotong University, China
- St Gallen, Switzerland
- Stanford University, USA
- Stevens Institute of Technology in Hoboken, New Jersey, USA
- Technical University of Munich, Germany
- The United States Air Force Academy (USAF), USA
- University of California at Berkeley, USA
- University of Washington, USA
- Waseda University, Japan

Joint Degree Programmes

- Dual Master Programme in M.Sc. (Systems and Project Management) and M.Eng. (Systems Engineering) with Stevens Institute of Technology in Hoboken, New Jersey, USA
- NTU-Warwick Double Masters Programme, UK
- Master of Management in Hospitality with Cornell University, USA
- Double M.B.A degree with ESSEC Business School, France
- Double M.B.A degree with St. Gallen, Switzerland
- Double MBA with Waseda University, Japan
- E.M.B.A (English). The Berkeley-Nanyang Advanced Management Programme with Haas School of Business, University of California at Berkeley, USA
- E.M.B.A. with Shanghai Jiaotong University, China
- M.B.A (Nanyang Fellow) with Sloan School of Management, Massachusetts Institute of Technology, USA
- M.Sc (Integrated Circuit Design) with Technical University of Munich, Germany
- M.Sc (Microelectronics) with Technical University of Munich, Germany
- M.Sc (Aerospace Engineering) with Technical University of Munich, Germany
- M.Sc (Financial Engineering) with Carnegie Mellon University, USA
- M.Sc (Maritime Studies) with Norwegian School of Management (BI), Oslo, Norway
- E.M.B.A. in Shipping, Offshore and Finance with Norwegian School of Management (BI), Oslo, Norway
- M.Sc. (Infrastructure Engineering and Management) with Indian Institute of Technology Bombay, India
- M.A. (Interactive Design) with Domus Academy, Milan, Italy
Admissions
Yearly intake periods – January and August. For application periods, please refer to: http://admissions.ntu.edu.sg/graduate/coursework/Pages/default.aspx

Admission Criteria
∙ A good Bachelor's degree or equivalent from a good university
∙ Good TOEFL score or equivalent (except for graduates of universities with English language as the medium of instruction)

How to apply
Apply online at http://admissions.ntu.edu.sg/graduate/
coursework/Pages/default.aspx

Scholarships
Generally cover tuition fees and stipends. Read more at: http://admissions.ntu.edu.sg/graduate/scholarships/Pages/default.aspx

Fees
Fees vary depending on the programme. Details are available at: http://admissions.ntu.edu.sg/graduate/coursework/Pages/default.aspx

School of Civil & Environmental Engineering
Master of Science in:
∙ Civil Engineering
∙ Environmental Engineering
∙ Environmental Science & Engineering - full-time only
∙ Infrastructure Engineering and Management - Joint degree with Indian Institute of Technology Bombay
∙ International Construction Management
∙ Maritime Studies

Graduate Diploma in:                                      | Min       | Max       |
| Airport Engineering - full-time only                 | Min       | Max       |
| Construction Management - part-time only            | Min       | Max       |

Wee Kim Wee School of Communication & Information
Master of Mass Communication
Master of Science in:
∙ Information Studies
∙ Information Systems
∙ Knowledge Management

School of Computer Engineering
Master of Science in:
∙ Bioinformatics
∙ Digital Media Technology
∙ Embedded Systems

School of Electrical & Electronic Engineering
Master of Science in:
∙ Communication Software & Networks
∙ Communications Engineering
∙ Computer Control & Automation
∙ Electronics
∙ Integrated Circuit Design - Joint degree with Technical University of Munich, Germany (full-time only)
∙ Microelectronics - Joint degree with Technical University of Munich, Germany (full-time only)
∙ Power Engineering
∙ Signal Processing
Graduate Dip. in Information-Communication Technology (part-time only)
