Minimum Subject Requirements for Students with International Baccalaureate Diploma

You are offering the International Baccalaureate (IB) Diploma, awarded by the International Baccalaureate Organization (IBO).

In addition to fulfilling the above admission criteria, applicants have to meet the following minimum subject requirements of the degree programmes listed next page.

**LEE KONG CHIAN SCHOOL OF MEDICINE**

**Programme**

- Medicine

**Minimum Subject Requirements**

- Chemistry at Higher Level, and
- Biology/Physics at Higher Level

In addition, applicants are required to submit the following materials for pre-admission assessment:

1. Personal statement
2. Two online referee reports
3. The online referee report is in question and answer format. The questions will take no more than 15 minutes to complete. Instructions and login details will be provided to applicants who will in turn forward the login information to their referees.

Applicants are also required to provide details of exceptional talents and/or outstanding achievements beyond school co-curricular activities for admissions assessment.

**Biomedical Admissions Test (BMAT)**

Applicants will have to register for the Biomedical Admissions Test (BMAT) and take the BMAT as part of the criteria for entry to the Lee Kong Chian School of Medicine (LKCMedicine) programme. Applicants select the BMAT around October/November each year. BMAT results are 12 months prior to admission. An applicant who is significantly below the mean score of the BMAT will be considered in the selection process. For more details on the BMAT, please refer to www.bmat.org.uk.

For further details, please visit www.lkcmedicine.ntu.edu.sg/Admissions/Pages/index.aspx.

**NANYANG BUSINESS SCHOOL**

**Programme**

- Accountancy
- Accounting and Business (Double Degree)
- Business

**Accountancy and Business (Double Degree)**

Mathematics at Standard Level

**Accountancy and Business (Single Degree)**

Mathematics at Advanced Level

**NATIONAL INSTITUTE OF EDUCATION**

**Programme**

- Arts (Education)
- Science (Education)

**Arts (Education)**

- Mathematics at Standard Level, and
- English A1/English A/Literature and Performance (in English) at Standard Level.

**Science (Education)**

- Physics at Standard Level

**Footnotes to Minimum Subject Requirements**

- **Programme leading to Bachelor of Engineering Science and Master of Science in Technology Management.**
- **Physics at Standard Level**
- **Physics at Higher Level**
- **Mathematics at Standard Level, and Biology at Higher Level**
- **Mathematics at Higher Level**
- **Physics at Standard Level/equivalent is only applicable to applicants who have not read Physics at Higher Level.**
- **Mathematics at Higher Level**
- **Physics at Standard Level**
- **Mathematics at Standard Level** On a selective basis

- **Programme leading to Bachelor of Science degree.**
- **Students who are undecided on their Engineering major may opt for Engineering (i.e. Common Engineering) at the point of application. All Common Engineering students will receive a semester of engineering studies after which they will be streamed into one of the following: Civil Engineering, Electrical and Electronic Engineering, Environmental Engineering, Materials Engineering, or Mechanical Engineering. In all cases, admissions and streaming into an engineering major are merit-based.**
- **The programme is also offered as a single degree programme with two distinct majors. Each major carries equal weight in the degree.**
- **The programme is also offered as a single degree programme with a Minor in Information Technology.**
- **The programme is also offered as a single degree programme with a Minor in Strategic Communication.**
- **The programme is also offered as a single degree programme with a Minor in Digitalisation and Data Analytics.**

- **The programme is also offered as a single degree programme with a Minor in Finance.**
