You are offering the NUS High School Diploma.

In addition to fulfilling the above admission criterion, applicants have to meet the minimum subject requirements of the degree programmes listed next page.
## Minimum Subject Requirements for Students with NUS High School Diploma

You are offering the NUS High School Diploma.

In addition to fulfilling the above admission criteria, applicants have to meet the minimum subject requirements of the degree programmes listed next page.

### Lee Kong Chian School of Medicine

**Programme** | **Minimum Subject Requirements** | **Selection Test / Interview**
--- | --- | ---
Medicine | Major CAP of 2.0 in Chemistry, and Major CAP of 2.0 in Biological/Physics, and CEAP of 1.5 in one other major and in English Programme | Yes

In addition, applicants are required to submit the following materials for admissions assessment:

1. Academic results
2. A one page written report. The written report is in question and answer format. The questions will take no more than 10 minutes to complete. Instructions and legal details will be provided to applicants who will in turn forward the tab to a teacher in their school. Applicants are also recommended to provide details of exceptional talents and be open to other achievements beyond those in curricular activities for admissions assessment.

**Biomedical Admissions Test (BMAT)**

Applicants will be required to take the Biomedical Admissions Test (BMAT) and submit results by mid-November. The BMAT is conducted by the University of Cambridge School of Medicine (Cambridge) and programme. Applicants can take the BMAT around October/November each year prior to their application to the Lee Kong Chian School of Medicine (LKCMedicine). Only results of the BMAT taken in the 12-month period prior to admission to LKCMedicine will be considered in the selection process. For more details on the BMAT, please refer to the LKCMedicine website.

For further details, please visit www.lkcmedicine.ntu.edu.sg/admissions/Pages/index.aspx.

### Nanyang Business School

**Programme** | **Minimum Subject Requirements** | **Selection Test / Interview**
--- | --- | ---
Accountancy† | Major CAP of 2.0 in Mathematics | Yes
Accountancy and Business Double Degree‡ | Major CAP of 2.0 in Mathematics | Yes

Arts (Education)▲ | Major CAP of 2.0 in Mathematics, and Good Overall CAP in English Language | Yes
Science (Education)▲ | | |

### Sport Science and Management

**Programme** | **Minimum Subject Requirements** | **Selection Test / Interview**
--- | --- | ---
Sport Science and Management§ | Major CAP of 2.0 in Mathematics | Yes

---

### Footnote to Minimum Subject Requirements

1. Programme leading to Bachelor of Engineering Science and Master of Science in Technology Management.
2. Only applicable to applicants who have not majored in Physics.
3. The programme is also offered as a double degree programme with Economics.
4. Overall CAP of 2.0 in Physics/equivalent is only applicable to applicants who have not majored in Physics.
5. Programme leading to Bachelor of Science degree.
6. Students who are undecided on their Engineering major may opt for Engineering (i.e. Common Engineering) at the point of application. All Common Engineering students will read a semester of engineering studies after which they will be streamed into either Civil Engineering, Electrical and Electronic Engineering, Environmental Engineering, Materials Engineering or Mechanical Engineering at the end of Year 1, Semester 1. In all cases, admissions and streaming into an engineering major are merit-based.
7. The programme is offered as a single degree programme with two distinct majors. Each major carries equal weight in the degree.
8. Programme leading to Bachelor of Science in Business.
